

Wednesday Evening 83 Stockwood Road

Bible Study Group

Concerns

- That we don't become an exclusive group that people feel unable to join us.
- How we reach the partners of some of our group members.

Give Thanks For

- The friendships and deep relationships made within the group
- The bible study materials that Lance is producing,
- Our fellowship meals when the families join us.

Our challenge

- That we continue to be open to what God is saying to us.
- That we encourage and uphold each other.
- That we encourage people to join one of the bible study groups
