Harvest

As usual we will focus on a project of the Baptist Missionary Society - this year Operation Chad. We have decided that we will collect non-perishable food specifically for our local foodbank based at Counterslip. (I am afraid that in the current situation perishable food will simply be too complicated to handle as I am sure you understand). The church premises will be open the day before, **Saturday 26th from 2pm to 4pm** in the afternoon, to bring along any food gifts. The foodbank says that the following are in high demand:

- Tinned meats (stewing steak, minced beef, chicken in white sauce, curried meat)
- Tinned potatoes, sweetcorn, carrots
- Coffee & drinking chocolate
- Tinned custard & rice pudding
- Squash
- Orange and apple juices
- Toilet rolls

We know that many people will want to give financially to the project either electronically or in cash or by cheque. We are looking for a simple and safe way of making this work, so please watch out for further details.
